TO WHOM IT MAY CONCERN

I have known Mr. Gregory Richard Glanville Godby for a period of 15 years. I have acted for Mr. Godby in a professional capacity and I have also become personally acquainted with him in a social capacity.

I have had ample opportunity for forming an opinion in relation to Mr. Godby and I have found him to be a person held in high regard and he has always exhibited to me in his business dealings that he is a person of his word and has always honoured his financial obligations.

I have no hesitation in acting as a referee for Mr. Godby.
