TO WHOM IT MAY CONCERN

I have been working with Greg Godby and R.G. Gregson for at least 8 years. As contractors, they have successfully completed a number of projects for this office, on behalf of our clients.

Specific projects include –

- Rosemount Wines – extend offices and staff amenities - \$ 250,000
- Randwick house – alterations and additions - \$ 95,000
- Emona Instruments – structural alterations and additions to offices  
- \$ 88,000
- Cody Opals – CBD retail fit out - \$ 135,000
- Kangaroo Point – a luxury residence \$ 2,000,000

This office considers Greg Godby and R.G. Gregson, both technically and experientially, well capable of handling projects of the sizes and types noted above and would have no hesitation in giving them our recommendation.
